

Dance Works Academy wishes Seniors Miranda Hamlett, Hailey Hemingway, Aly Kinaman and Lilly Thatcher the best of luck in their future endeavors! We have enjoyed watching you grow over the years and are so proud of you!

Lilly Thatcher has been dancing with Miss Lauren for 13 years and wants to thank her for being an incredible teacher and friend. In the fall Lilly will be attending Nazareth College in Rochester New York as a Dance studies major. She would like to say a huge thank you to everyone she's gotten to share the stage with over the years, and to the amazing dance parents who have helped to raise her. Before her final time taking the stage with Danceworks, Lilly would like to specifically thank her parents for giving her the whole world, and Avery Hemingway for showing her what it's like to be loved and appreciated unconditionally. She's so excited for what the future holds!

Hailey Hemingway, will be attending the University of New Hampshire in the fall for Health Sciences, with a focus in Kinesiology and athletic training. She has been dancing for 6 years and has truly enjoyed her time with Dance Works Academy and appreciates the kindness of Lauren and staff over the years. She would sincerely like to thank her parents, Celina and Eric Hemingway for sticking by her side through all the struggles that she has been through. She would also like to thank Jayden Bourne for being one of her biggest supporters and cheerleaders, I love you so much! Although she will no longer be dancing or continuing to dance in college she will always cherish the time, memories and friends that she has made here at Dance Works Academy.

Miranda has danced at Dance Works Academy for nine years. Dancing has given them many good memories, but most importantly a great sense of community. Miranda will be headed for SUNY Plattsburgh this fall with an undecided major. They would like to thank Ms. Lauren for her continuous support these past nine years, as well as their mom who provided them the opportunity to dance even through rough times. Lastly, Miranda would like to thank all of their friends at Dance Works Academy for being the best dance family ever.

Ally Kinaman has been dancing at Dance Works Academy since she was eight years old. She would like to thank Ms Lauren for all of her time and sharing her love for dance over the past ten years. She would also like to thank her parents and extended family for their consistent support. Ally is going to University of New Hampshire next year and will be majoring in Mechanical Engineering. She will miss her DWA family!

Welcome to our 10th Annual Dance Performance!

Saturday ~ May 22nd, 2021
